

Cardiovascular Outcomes Research in Perioperative Medicine

Message from the COR-PM Scientific Program Chair

Dear Colleagues,

Welcome to the third Cardiovascular Outcomes Research in Perioperative Medicine (COR-PM) conference! We are pleased that you are joining us in beautiful Toronto this week.

We have three days packed with high-yield practical content:

- **Saturday:** How to Run a Trial with Your Surgeon
- **Sunday:** Methods: Omics, Biobanking / AI and Big Data / Late Breaking Science / Keynote Lecture with Dr. Beverly Orser
- **Monday:** How to Jump-start Your Academic Career

We hope you enjoy the conference as we are thrilled to welcome you to Toronto!

Karsten Bartels MD, PhD, MBA
Chair, COR-PM 2024 Scientific Program

Accreditation and Designation Statements

The Society of Cardiovascular Anesthesiologists (SCA) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. SCA designates this live, in person activity for a maximum of 4.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Learning Objective

- Describe the latest advances and research in perioperative cardiovascular medicine.
- Identify current trends in clinical and bench research pertinent to the perioperative care of patients.
- Evaluate new therapeutic techniques and diagnostic/interventional procedures in perioperative cardiovascular medicine.
- Discuss advances in procedures related to cardiothoracic and vascular anesthesia including intensive care medicine.

How to Get Your CME Certificate

1. SCAN QR CODE to get your CME CERTIFICATE (link will become active at the conclusion of the meeting).
2. Login and evaluate the meeting.
3. Print all pages of your certificate for your records.

If you have questions regarding your CME certificate, please contact Karol Flowers, kflowers@scahq.org.
