

LEARNER NOTIFICATION

Society of Cardiovascular Anesthesiologists

Activity Title: 2024 SCA Cardiovascular Outcomes Research in Perioperative Medicine

Date: April 27 – 29, 2024

Acknowledgement of Monetary Commercial Support

The following company provided monetary support for this CME educational activity in the form of an unrestricted educational grant: **None**

Acknowledgement of In-Kind Support

The following companies provided in-kind support for this CME educational activity: **None**

Accreditation Statement

The Society of Cardiovascular Anesthesiologists is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Society of Cardiovascular Anesthesiologists designates this enduring material activity for a maximum of 3.75 *AMA PRA Category 1 Credits*[™] Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Description:

Annual societal meeting which provides education and research presentations on cardiovascular outcomes research in perioperative medicine.

Educational Information

Physician Practice Gap:

Anesthesiologists may not be aware of recent developments to improve feasibility and rigor of clinical research projects.

Needs that Underlie the Gap

Gap in latest evidence to guide best practice in perioperative cardiovascular medicine. Gaps in performance of impactful cardiovascular outcomes research and securing protected time and research funding to conduct research.

A lack of consensus regarding best practice standards can result from apparently conflicting evidence in the field and can result in a barrier affecting patient outcomes. The symposium will lower this barrier by improving the learners understanding of the best evidence for practice. The physicians in attendance will be able to deliver a higher quality of care in perioperative medicine and

research by reviewing evidence-based material that has been identified as a professional practice gap. Teaching modalities will include panel discussions, Q&A sessions, and presentations.

DESIGNED to Change/Outcome: Following this activity, learners will develop competence by increasing their knowledge through a combination of hands-on learning, case-based presentations, and online lectures. Knowledge will be assessed with a pre-test and post-test.

The combination of in-person demonstrations, didactic lectures, case-based panel discussions and clinical dilemmas which demonstrate the broad clinical utility of perioperative echocardiography, participants will be able to improve on all the competencies mentioned above by gaining knowledge on new practice guidelines and new technologies, as well as observing and participating at discussions in multidisciplinary panels with case -based presentations.

Educational Objectives

After completing this activity, the participant should be better able to:

- Describe the latest advances and research in perioperative cardiovascular medicine.
- Identify current trends in clinical and bench research pertinent to the perioperative care of patients.
- Evaluate new therapeutic techniques and diagnostic/interventional procedures in perioperative cardiovascular medicine.
- Discuss advances in procedures related to cardiothoracic and vascular anesthesia including intensive care medicine.

Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. Partial credit of individual sessions is not available.

Contact Information

If you have questions regarding your CME certificate, please contact Karol Flowers, kflowers@veritasamc.com.

Disclosure of Financial Relationships

As an accredited provider of the ACCME, SCA adheres to all [ACCME Standards for Integrity and Independence in Accredited Continuing Education](#). The following individuals in control of content development for this activity have indicated that they do have financial relationships with ACCME defined ineligible companies within the past 24 months. All others in control of content not listed below have indicated that they have no financial relationships to disclose.

Last Name	First Name	Disclosure(s)	Role	Method of Mitigation
Ghadimi	Kamrouz	Consulting Fees (Anesthesia Labs, Inc) - ongoing; Ownership Interest (Anesthesia Labs, Inc); Honoraria (Octapharma) – ongoing	Speaker, Planner	No conflict of interest exists. Non-CME presentation.

Loor	Gabriel	Research Grant (Abbott; Abiomed Breethe; Atricure; Transmedics Inc) – ongoing; Consulting Fees (Abiomed Breethe; Transmedics Inc) – ongoing	Speaker	No conflict of interest exists. SCA requires all individuals with financial relationships with ACCME defined ineligible companies to comply with ACCME Standards for Commercial Support. SCA has received an attestation from this presenter/planner agreeing to comply. In addition, speaker presentations were reviewed by the CME committee and there were no conflicts identified. In addition, speaker presentations were reviewed by the CME committee and there were no conflicts identified.
Sun	Eric	Analysis Group; Lucid Lane, LLC - Consulting Fees; Ownership Interest (stocks, stock options, patent or other intellectual property or other ownership interest excluding diversified mutual funds) – ongoing	Planner	No conflict of interest exists. SCA requires all individuals with financial relationships with ACCME defined ineligible companies to comply with ACCME Standards for Commercial Support. SCA has received an attestation from this planner agreeing to comply.

How to Get Your CME Certificate

1. Go to <https://www.surveymagnet.com/Magnet3/login.asp?EventKey=YHTFRJTN> (link will become active at the conclusion of the meeting)
2. Login and evaluate the meeting.
3. Print all pages of your certificate for your records.
