

## **Cardiovascular Outcomes Research in Perioperative Medicine (COR-PM) Planning Committee**

### **Committee Charge**

The mission of the SCA COR-PM Planning Committee is to plan and conduct the annual Cardiovascular Outcomes Research in Perioperative Medicine (COR-PM) meeting in conjunction with the SCA's annual meeting.

The goals of the SCA COR-PM Planning Committee are to organize a meeting to advance clinical outcomes research in cardiovascular medicine within the T2-T4 translational spectrum.

Identify content experts to disseminate knowledge on innovative clinical research methods and topics with an emphasis on how to conduct funded clinical research.

Provide mentorship capacity for junior investigators by providing tangible mentoring to attendees through pairing mentees with mentors across institutions.

Create an inclusive and welcoming conference atmosphere by enhancing diversity in all aspects of conference planning and implementation.

Develop strategic collaborations.

### **2024-25 Benchmarks**

*(Action items for upcoming year)*

1. Conduct COR-PM 2024
2. Perform a Strengths Weaknesses Opportunities Threats 'SWOT' of COR-PM 2024
3. Plan COR-PM 2025

### **2024-25 Committee Members**

Jochen Steppan, MD - Chair  
Shahzad Shaefi, MD – Vice Chair  
Amanda A. Fox, MD – Board Liaison
