

## **Nominating Committee**

### **Committee Charge & Benchmarks**

The mission of the SCA Nominating Committee is to assemble a list of the willing and most qualified candidates for positions in the Society leadership.

The goals of the SCA Nominating Committee are to identify and provide quality leadership for SCA through the regular and systematic evaluation of the board's strengths and weaknesses, the identification of potential Board/Committee Members, and the ongoing training and education of board members.

Provide candidates that have expressed interest in the position, have agreed to serve, and are qualified for the office for which they have been nominated.

Review the applications of SCA members who are interested in serving as a Society leader.

Nominate at least one individual for all elected positions in the Society.

Provide a slate of candidates on or before December 15 preceding an election year.

Vet and recommends candidates for the Distinguished Service and Lifetime Achievement Awards when appropriate.
