

Ethics Committee

Committee Charge

The mission of the SCA Ethics Committee is to monitor and evaluate evolving ethical issues and offer recommendations concerning those issues to the SCA Board of Directors.

The goals of the SCA Ethics Committee are to assess and enhance the ethical behavior of the Society and its members.

Respond to inquiries regarding ethical issues.

Develop and review SCA policies regarding ethical issues or behavior for the Officers and/or Board of Directors.

Review the scientific program committees and SCA CME activities for disclosure of conflicts of interest as directed by the Board and CME committee.

Review and resolve complaints made against members, and other mandates as directed the Board of Directors or Officers of the SCA.
