SocietyofCardiovascularAnesthesiologists

FROM THE INDUSTRY CHAIR

Dear Industry Partners,

On behalf of the Society of Cardiovascular Anesthesiologists, it is my pleasure to invite you to partner with SCA and engage with our community throughout the coming year.

SCA brings together cardiovascular anesthesiologists, trainees, researchers, educators, and multidisciplinary leaders who are shaping the future of perioperative cardiovascular care. Across our meetings, educational programs, scientific initiatives, and philanthropic efforts, we create opportunities to exchange ideas, share new knowledge, explore emerging technologies, advance research, and ultimately improve the care of patients with cardiovascular disease.

Our industry partners are an important part of the SCA community. We view these relationships as much more than sponsorship of an individual meeting or event. Our goal is to develop **long term partnerships built around shared interests, sustained engagement, and meaningful opportunities to advance our specialty and improve patient care.**

Throughout 2027, SCA offers several live, in person opportunities to engage directly with our members and Society leadership. **SCA Echo**, February 4–7 in Nashville, Tennessee, brings together clinicians and experts focused on perioperative echocardiography and its expanding role in cardiovascular care. Our **Thoracic Anesthesia Symposium and Workshops (TAS)** will be held April 8 in Las Vegas, Nevada, followed by the **49th SCA Annual Meeting & Workshops**, April 8–11, also in Las Vegas. These meetings provide valuable opportunities to connect face to face with SCA members and leadership, exchange ideas, support education and scientific discovery, introduce new technologies, and develop relationships that can extend well beyond the meeting itself. Our **Endowment event during the Annual Meeting** provides an additional opportunity to engage with the SCA community while supporting the long-term mission and future of the Society.

We also welcome opportunities to work together beyond our meetings in areas including education, innovation, scientific discovery, and research. We are particularly interested in developing meaningful collaborations that bring together the expertise of our members with the perspectives and resources of industry to address important questions facing our patients and our specialty. For organizations interested in developing a deeper relationship with SCA, we welcome opportunities to partner with our **Industry Council and Society leadership** to foster ongoing dialogue, identify shared priorities, and develop collaborations that can grow over time.

We are grateful for the continued support of our industry partners and invite you to explore the opportunities outlined in this prospectus. More importantly, we hope you will view these opportunities as starting points for a broader and lasting relationship with SCA.

We look forward to working with you throughout the coming year and to building partnerships that will help shape the future of cardiovascular anesthesiology.

Sincerely,

Douglas C. Shook, MD, FASE
SCA Industry Council Chair

2027 SCA ECHO PARTNERSHIP OPPORTUNITIES

Supporting Echo

Deliver your message in a professional, focused, and educational environment. Exhibiting at SCA Echo provides you with networking opportunities to build relations with new and existing customers. The anticipated 300 plus attendees will be eager to learn about your company and products.

The 2027 SCA Echo will provide attendees with Continuing Medical Education (CME) in addition to advanced knowledge, combined with new product exposure offered in the Science and Technology Auditorium.

Maximize Your Impact Through Sponsorship

SCA Echo offers industry sponsors an opportunity to reach clinicians on Echocardiography techniques and products' latest fundamentals and application. The focused meeting environment is ideal for businesses dedicated to delivering products and services that support these conditions. This forum will allow you to interact with clinicians eager to learn about new technologies and innovations to improve patient care.

GOLD \$20,000

INDUSTRY SPONSORED PRODUCT THEATER *(Exclusive Opportunity!)*

Highlight your commitment to Echo with a 45-minute presentation by your product specialist. All food and beverage provided by the SCA.

Gold Level Includes:

- Prime location of exhibit space
- AV and event marketing
- Company recognition on the SCA Echo website
- Recognition on contributor support signage in the meeting pre-function space
- Four exhibitor badges for company representatives

About the SCA Annual Meeting and TAS Meeting

The 2027 SCA Annual Meeting and Workshops will provide attendees with Continuing Medical Education (CME) in addition to advanced knowledge, combined with new product knowledge offered in the non-CME Science and Technology Auditorium.

Supporting SCA

Deliver your message in a professional, focused, and educational environment. Exhibiting at SCA provides you with networking opportunities to build relations with new and existing customers. The more than 1,400 expected participants will be eager to learn about your company and products.

Optimize Visibility with a Diamond, Platinum, Gold, Silver or Bronze Level Sponsorship

Participation includes recognition on the Conference website, in social media and e-blasts. Please refer to the Partnership Opportunities for a complete list of benefits.

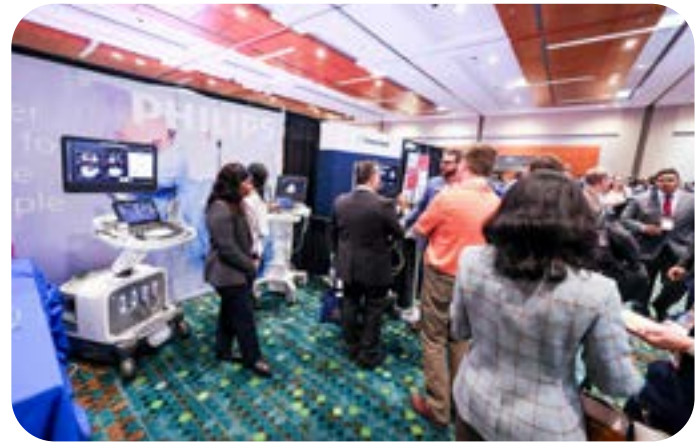

TAS sponsors have the opportunity to participate in the entire meeting.

Primary Audience

- Physicians/Surgeons
- Fellows & Residents
- Researchers
- Allied Health Professionals
- Industry Representatives

Meeting Highlights

- Scientific presentations and abstract sessions
- Clinical education sessions
- Networking events
